SEAFOOD TOOLS.

Seafood tools are a wonderful genre to collect. There are so many different types of forks, knives and servers!

PIERCED SPOONS.

Made for serving everything from sugar to bonbons and nuts, each has its own personality!

SARDINE FORK.

Seven tines curve outward to hold small pieces.

MEAT CARVING FORK.

SUGAR NIPS.

Everyone is different! A gracious way to serve sugar cubes at tea.

SPOONS.

Jelly spoon

Chocolate spoon

FORKS.

Small cake forks, larger dinner forks and ornate serving forks, each has its place at the table.

LADLES.

Ready to dish out cream sauce, gravy, fruit sauces and everything in between.
